Keynote Speaker

ADRIANNE HASLET

Professional Ballroom Dancer

Adrienne Haslet was a professional ballroom dancer when she survived the terrorist attack at the 2013 Boston Marathon where she lost her left leg below the knee. She quickly rose to meet her daily challenges with fierce determination and Boston Strong strength. A full time professional ballroom dancer at the peak of her career, she had to learn an entirely new way to navigate her daily life. In the wake of the terror, she has become a global inspiration. Appearing in her own CNN documentary, the cover of both People and Sports Illustrated, featured on CBS, The View, and many other media outlets, Adrienne hopes her emotional honesty will serve as an example to others looking to overcome adversity in their own lives.
